Quitting tobacco isn't easy. Fortunately, you are not alone. The Florida Department of Health in Pinellas County (DOH-Pinellas) is hosting Quit Your Way sessions from Tobacco Free Florida at two of its centers in March. The group sessions are open to the public and presented by the Gulfcoast North Area Health Education Center (GNAHEC) at no cost.

Two-hour sessions at DOH-Pinellas centers will be held on these dates:

- 10 AM to noon, Wednesday, March 7, at DOH-Pinellas in St. Petersburg: 205 Dr. Martin Luther King Jr. St., N.
- 1-3 PM, Tuesday, March 27, at DOH-Pinellas in Mid-County (Largo), 8751 Ulmerton Rd.

In addition to the group sessions, tobacco users who want to quit can also receive nicotine replacement patches, gum and lozenges at no cost (while supplies last and if medically appropriate). The sessions provide information on how to prepare a plan to quit, how to deal with cravings and what to expect during the process. The programs cover all forms of tobacco.

During March, numerous classes are held at other locations in Pinellas County, too. For information about other sessions or to register, call (813) 929-1000 or email info@gnahec.org. Go to www.tobaccofreeflorida.com/quityourway for other resources.
